# Thank You

Dear Ian,

We are absolutely delighted to receive your generous pledge of £4,800 towards our first Big Give Campaign- Keep a child warm, safe and loved this Christmas, forming our match funding pot which will allow us to double both our donations and impact.

Because of you, we will be able to continue to provide essential items and equipment to families in need, ensuring that children have the basics they need to thrive. It is through the kindness of donors like yourselves that we can continue our mission and make a real difference in our community.

Your support helps us support over 9,500 people each year, relieving poverty and hardship among babies and children from across the North East aged 0-16 years, and those who care from them.

I will keep you fully updated on each step of the campaign that you have made possible.

Kind Regards,
